

Entry Level Landscape Architect

Experience Level: 1-4 years | Location: Cincinnati, OH

The entry level landscape architect will support our Landscape Architecture + Planning (LAP) Department by providing research, design/construction drawings, and presentation graphics, while assisting in the advancement of designs to help realize our Client's vision. A passion for design, an eagerness to learn, a collaborative spirit, and possessing exceptional communications skills are essential to be effective in this role.

Position Requirements

- Bachelor's or Master's Degree from an accredited institution with a degree in Landscape Architecture
- Working knowledge of native and adaptive plants
- Preferred proficiencies in the following:
AutoCAD, Civil 3D, Adobe Creative Suite, ArcMap, Sketchup, and hand graphics
- Demonstrated ability to create presentation graphics utilizing electronic media using computer and/or hand generated sketches

Position Responsibilities

- Evaluating site conditions including infrastructure, access, environmental considerations, natural aspects, soils, and other factors impacting a site
- Interpreting jurisdictional regulations and applying them to projects
- Translate ideas from sketches and written/verbal instruction into complete and accurate working drawings
- Organize, prioritize, and independently perform work assignments
- Support multiple projects with deadlines in a fast-paced office environment
