

Land Surveying Field Crew Chief

Experience Level: 1-3 years (preferred) | Location: Mason, OH

Position Responsibilities

- Use the latest surveying technology, including robotic total station, data controllers and RTK/RTN GPS for topographic, boundary, and construction layout land surveying
- Coordinate findings with work of engineering and architectural personnel, clients, and other project stakeholders
- Keep accurate notes, records, and sketches to describe and certify work performed
- Manage field crews

Position Requirements & Preferences

- Associates degree in Surveying or Construction from an accredited institution (preferred)
- One to three years experience in Land Surveying (preferred)
- Valid driver's license with an acceptable driving record, as determined by Bayer Becker in its sole discretion
- Proof of automobile insurance coverage

Position Qualifications

- Ability to perform field calculations
- Familiarity with construction drawings and construction processes
- Attention to detail
- Ability to communicate verbally and written
- An understanding of job site safety, as position will primarily be outdoors
- A combination of brains and brawn!
